

# REMEMBERS WHEN

## LESSON 15 WORKSHEET

### WRITING AN INTRO

Title

Congratulations! You are nearly ready to post your first memoir at **Remembers When**. But your memoirs site needs a welcome page that introduces you and your memoirs. This worksheet will help you capture the details that you will write into your intro.

Who are you writing for?

Why are you writing?

What is the most important thing you have to say?

When you have answered these questions with a note in each box, write up a brief introduction for your memoirs. This should be no more than three or four paragraphs, or if you are a word counter, about 250 words. It should make your audience want to read what you have to say.

You'll find more great resources and a place to publish and read memoirs at <http://rememberswhen.com>.
