

REMEMBERS WHEN

LESSON 17 WORKSHEET

WHO NEEDS MY VOICE

On this worksheet, make a list of people who may need your voice to record their memoirs. Next to the name of the person in the list, write why they are unlikely to write their own memoirs. In the third column, write a little bit about what you know about the person that would make their memoirs important to you and to that person's family and friends. You may list the same person more than once if there are multiple reasons or stories. Use extra paper or the back of this sheet to make more notes as needed.
